The Woodstock Infantry Association does a lot of things. The one thing that we always do is stick together. When one of our own struggles, we all struggle. When one of our own hurts, we all hurt. We have a new opportunity to come together. Jason Hintz's family is going through a difficult time right now. Jason's Aunt Kathy has a severe health issue going on that has been very draining emotionally and financially. And, while the funds we have raised to this point are for the good of the soldiers and their immediate families, our talents are not. We are hosting a fund raiser to provide some relief, both emotionally and financially to their family. Any and all help will be greatly appreciated.
